

My Report: ANOTHER MORE EXCELLENT WAY (Author, Juan Sutton, ISBN 9781607915492)

If this guideline, as given in Mount Sinai, were used today in the United States of America based on the standards that we use today, then all of \$400 Billion Dollars a year, at a minimum, is achievable and attainable and can start in the near future with your support and, might I add, without any out-of-pocket expenses during Church Services. My Proposal in **Another More Excellent Way** meets all the basic needs of every Church or Temple in America (each of our 300,000+ assemblies (churches, synagogues, masses), by using a Half Shekel Guideline for the **1) Building** (mortgages or rent), **2) Repairs** (upkeep and maintenance), **3) Service** (ministries and programs) and **4) Administration** (business, management), you know: *“the things that are God's”* (Matthew 22:21). With this standard and giving back a Half Shekel to our Nation and for our people, we can as a Nation (Church), be stronger and more united than at anytime in America's history.

Another More Excellent Way offers a proposal to our Church (members and non-members) and our Nation's President that will help restore, reform, and reconcile over \$400 billion dollars a year as a resource to support our Church and broaden our causes for justice in America and throughout the world! As a start, these proposals will provide the following:

1) Missionary Outreach Christian Programs (National Half Shekel Ministry Program Administrative Board of Trustees ([Details in book, pg 214](#)))

Option 1

\$15,000,000,000 Support 15 established National and/or International Christian Programs with the intent to cover all of them by a general consensus based on the National Half Shekel Ministry Program Administrative of trustees and a joint cooperation of all auxiliaries (600+ denominations in America).

Option 2

\$5,000,000,000 Distribute to Support the Jews for Jesus Outreach Ministries (National and Internationally)
\$5,000,000,000 Distribute to support the Gideons International Bible Distribution and Publication in a national coordinate agreement with members of Protestant, Catholic and Jewish Assemblies
\$5,000,000,000 Distribute to Outreach Missionaries church Programs within the USA

2) The SHARE Food Program (www.sharefoodprogram.org)

[Share Food Program, Inc](#) is just one of many non-profit food and community network in the USA that coordinate with companies to reach a common goal. In this proposal, every Church in America will provide not 1 but 2 food packages to 150 families in need in their local community every month and in every year. Go to www.sharefoodprogram.org to learn more. ([Details, pg 217](#))

3) National Catastrophic Disasters Program Fund (SAVINGS)

\$18,000,000,000 At least, for assistance such as Hurricane Katrina and World Hunger/Relief. It's important to remember that these funds can be used in other ways in helping those that are in immediate need.

4) *The Half Shekel National Programs** (This program will offer extended services and give back \$18,000,000,000 a year to each of the following programs).

*National American Indians and Alaska Heritage and African Aid Fund

**All 4000 Charities of the Combined Federal Campaign of the National Capital Area will receive \$4.5 million a year. In 2008, the CFCNCA raised \$62,733,354. This Proposal offers \$18,000,000,000 every year. (For more general information about the 4,000 charities, go to: www.cfcnca.org).

***New National Medical Prescription Co-Pay Program to all church members over the age of 60 and disabled members would receive a Co-Payment card up to \$250 each month. This card can also be used by caretakers for such members when need arise. This service will cover the out-of-pocket expenses that many members, over the age of 60, pay each month for prescription medicine after the medical insurance, Medicare or such programs. (This calculation is based on estimation that on an average, 30% of all churches, synagogues are members over the age of 60 and 2% are disabled).

5) Half Shekel Give Back Program \$41,062,500,000

Option 1

\$41,062,500,000 \$.50 cents a day to the Half Shekel Give Back Program

Brothers and sisters in the faith of Christ, this is only the beginning to adding over 800,000 jobs such as Auditors, Accountants, Program Managers, Teachers, etc at a salary range from \$50,000 - \$75,000 per year, this is achievable. With additional revenue of freewill donations from those who will, that's over **1.5 million new jobs** in America! And get this, that's not from borrowing more money from China or "other nations" or from our children's children and calling it a Federal Stimulus but by using the principles of a Half Shekel Give Back Program from all the Churches in the United States of America, the resources that we already have available, which I am proposing! ([Details, pg. 205](#))

Another More Excellent Way gives a chronological review on a just and fair National Withholding that the Holy Bible discusses in the Old and New Testament for His Nation and for His People, the chosen and the highly favored. I offer you a good report on:

Exodus 30: 13-16 THIS THEY SHALL GIVE, every one that passeth among them that are numbered, half a shekel, after the shekel of the sanctuary: (a shekel is twenty gerahs:) ***an half shekel shall be the offering of the LORD.*** 14 Every one that passeth among them that are numbered, from twenty years old and above, shall give an offering unto the LORD. 15 ***The rich shall not give more, and the poor shall not give less than half a shekel, when they give AN OFFERING UNTO THE LORD, to make an atonement for your souls.*** 16 ***And thou shalt take the atonement money of the children of Israel, and shalt appoint it for the service of the tabernacle of the congregation; that it may be a memorial unto the children of Israel before the LORD, to make an atonement for your souls.***

“The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.”

Dr. Martin Luther King, Jr.
“Strength to Love,” 1963
